

The Mane Event at Oberod

12th Annual Benefit for Reins of Life

Saturday, June 9, 2012 | 7:00-11:00 p.m. at Oberod | Centreville, DE

Enjoy the evening while you bid on our many fine gifts at our "live" and "silent" auctions.
This year's donation list promises to be even more exciting.

Please consider a gift donation for our live and silent auctions or a charitable gift donation. Thank you.

Reins of Life is a non-profit corporation, serving the tri-state area, providing therapeutic horseback riding for children and young adults with special needs, including spina bifida, down syndrome, autism, cerebral palsy, speech, vision and hearing disabilities.

Stretching mind and muscles, therapeutic horseback riding produces remarkable benefits, and is recognized by medical professionals as one of the most progressive forms of therapy, gaining recognition world-wide. Benefits include improved balance and coordination, muscle-tone, and body strength. Riders also enjoy the benefits of improved self-confidence, self-esteem and independence.

*"I saw a child who could only crawl
mount a horse and sit up tall
Put it through degrees of paces
and laugh at the wonder in our faces"*

Reins of Life Mission Statement

To provide a pleasant and natural environment towards enhancing the physical, emotional, and cognitive abilities of disabled children and young adults through the experience of equestrian therapy.

Scholarship Fund:

Since launching the Reins of Life children's scholarship fund, families in financial need have been able to receive benefits. The scholarship fund helps meet the families financial needs while the therapeutic riding meets the physical, social and emotional needs of the children and young adults who participate.

We need help to offer scholarship funds to families in need whose children would otherwise be unable to benefit from this valuable therapy.

United Way of Southeastern Pennsylvania
